Anne Yvonne Grehan-Meadows
In Loving Memory
July 26, 1941 - October 31, 2018

Anne Yvonne passed away peacefully at her home, with her loving husband, Paul - by her side. "Yvonne" was born in Dublin, Ireland on July 26, 1941 to Stephen and Yvonne. She leaves behind Paul, 3 children: Andrea, Michael, and Tyrone; 8 grandchildren: Brady, Tara, McNeal, Shane, Brock, Rhett, Darby, and Aidan, and 3 great grandchildren: Claire, Charlotte, and Brenna, 3 siblings: Colleen, Kieron, and Anthony, cousins, nieces, nephews; great and otherwise, fans, friends, and followers - from far and wide - going back "donkey's years". She was predeceased by her devoted companion and friend Ed Vaughan, her dedicated sister Joan, her niece Tina and her three beautiful children: Hannah, John, and Connor.

Yvonne made an impression on everyone with whom she interacted; you could not miss her; larger than life; a real celebrator! She spent her early years in Dublin; before she was 15, she graduated with honors from Marino Secondary School & earned a secretarial scholarship, 1 of only 2 in the graduation class. Yvonne immigrated to the U.S. in 1965, with husband, Michael, daughter, Andrea and son Michael; Tyrone was born later in the USA - just a few years later attending the famous Rose Parade at only 17 days old. Yvonne was never one to miss out on the fun - or having material for a future story.

As a proud immigrant, she went on to hone and master a variety of administrative skills - skills that would serve her well throughout her life - professionally and personally. She accumulated a number of credentials: an AA Degree, Real Estate, and Notary licenses, among others. She was an expert "short-hand" writer and could type 100 words per minute (!) on the manual "Royal" Typewriter. Her American-born son, Tyrone, knows her speed as well - on foot. The neighbors were never the least aware Mom was seen sprinting down the road after him - she caught him of course. Good training for his own future soccer accomplishments!

Yvonne worked as a Trust officer at Citizens Bank/Pasadena, for many years. She later worked as THE Administrative Assistant to the President and CEO of Santa Fe International; a Kuwaiti outfit, California based oil company. During the first Iraq incursion into Kuwait in the early 1990's, she was often called upon to field media contacts and communicate with Kuwaiti Royal Family members; she eased logistical and administrative chaos - at a most chaotic time. She orchestrated board meetings for high level members including former U.S. President, Gerald Ford, and former National Security Advisor, Brent Scowcroft. She handled her duties with professionalism and flair. Never one to pass up an opportunity to perform or show off her Irish pride; she entertained those board members including former Pres. Gerald Ford in full St Patrick's Day Leprechaun garb. Yvonne's last professional role saw her as a legal secretary with O'Melveny & Myers; one of the oldest and largest law firms in the country.

Yvonne's final, most rewarding role was as a uniformed "soldier" in God's Army - The Salvation Army. Assigned to the California State Division and operating out of the Pasadena Tabernacle, Yvonne, and husband Paul, made a difference in the experiences of countless visitors and people enrolled in the Adult Rehabilitation Centers. For nearly 2 decades, she served as greeter, energetic worshipper, and compassionate consoler. She embraced whole-heartedly her "mantra": "Be Kind, Be Caring" & "What Would Jesus Do?" She was a lover of life! Yvonne was a remarkable wife, sister, daughter, cousin, and auntie. She was a friend; an unforgettable friend. She was a mom - the best mom - the best mom - more than any other accomplishment. Motherhood she mastered! Anne Yvonne is home - May God Rest You!

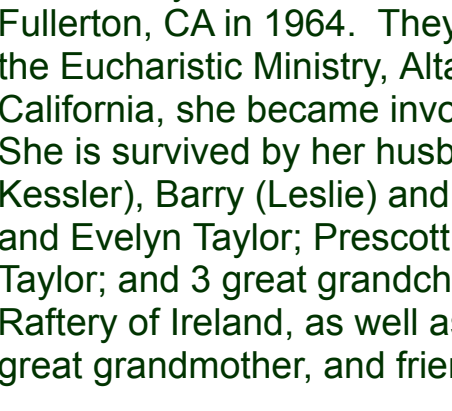

Rev. Robert J. O'Rourke, SSC, 96 passed away on October 3, 2018 at St. Elizabeth Manor. Born on June 13, 1932 he was the son of the late Eugene Joseph O'Rourke and Mary Bridget (O'Connor) O'Rourke. He was the brother of the late Joseph, Timothy, Richard, Eugene, Br. Terrance O'Rourke of Glenmary Home Missions, Brother Bafioe and Loretta Coogan. He is survived by many nieces and nephews. Young Bob attended St. Ailbe's Grade School and Quigley Prep. He later attended St. Mary of the Lake Seminary and after spiritual year at St. Columban's, he went to St. Columban's Major Seminary in Milton, MA. He was ordained on December 20, 1958 in the Seminary Chapel by Most Rev. Eric MacKenzie. In the summer of 1959, Fr. Bob did a course in Social Science in Antigonish, Nova Scotia and in December 1959 he was appointed to Burma.

In November Fr. Bob was assigned in Myitkyina and began language study in Tingsing. The following year he opened up a new parish in Kamaing about 65 miles west of Myitkyina. In September 1966 the Burmese government compelled Bob to leave Burma before the end of this year due to new visa restrictions. After returning to the United States he was appointed to do vocation work in Los Angeles in March 1967. He was appointed superior of the Los Angeles house in 1969. In 1975 Fr. Bob was assigned to Lima Peru. Starting in May 1977 he began serving in Fr. Bob's unique and charismatic ministry, youth groups and a catechumenate. In December 1983 he was assigned to Huasahuasi (Tarma) Pasco.

In Fr. Bob O'Rourke and Fr. Michael Donnelly were the first resident priests in the parish for some time. Until leaving there in December 1989, they worked a pastoral program catering to the varied needs of the widespread parish. The majority of the people were potato farmers. During those years Tarma and adjoining areas were the scene of escalating terrorist violence on the part of the Maoist- Leninist group Sendero Luminoso "The Shining Path". Many towns were without police or other civil authority. Frs. Bob and Michael continued to carry out their pastoral work while the terrorists became more audacious and brutal, generating an atmosphere of fear and tension throughout the country, especially in isolated zones such as Huasahuasi. When the priests were told by a reliable person that they were on a death-list and that the terrorists were coming to the town at Christmas, Frs. Bob and Michael decided to go to Lima and left their sister Kitty to see her family in America. Margaret and Nancy were with the priest in January 1990 Fr. Bob was assigned to O.U.S. Region. He became associate editor of Columban Mission magazine and at Easter 1991 he became Editor of the Regional Newsletter.

In August 1992, Bob began work with the Spanish Apostolate at Immaculate Conception Church in Grand Prairie, TX. The people there appreciated his homilies for their stories and brevity. In 1998 Fr. Bob returned to Omaha as house priest, but presided over the 47th and final Annual Columban Festival there. The Festival was the last of a successful cycle that at its peak, in the early 70's, drew over 20,000 people to St. Columban's on a summer weekend, and raised over \$80,000 for the Society. Fr. Bob noted that the Festival was less about funning the connecting with the local community. In October 2001 Fr. Bob was succeeded in his position as the Regional Administrator of the Columban Telephone Company. With support from his parish and friends, he was able to raise the money to purchase a plane ticket to join her in America. Margaret lived in La Guardia in August 1953 with not much more than the heavy overcoat she wore and a small suitcase. In New York, Margaret settled into the work of nanny for Happy Rockefeller and her children. Margaret enjoyed her years with Kitty in New York, traveling up and down the East Coast Seaboard to the many Rockefeller homes. In 1957 Margaret headed West to California at the request of her brother Barney, in order to help raise their two younger brothers Dominick and Hubert. Once in Los Angeles, Margaret quickly landed a job as a seamstress at the sewing factories of Burbank and left in 1959 for sister Kitty to see her family in America. Margaret would fondly recall those days and the warm afternoons she spent with Dominick at Hollywood Park pretend betting nickels on the horses. In 1960 at the Irish Dance in Los Angeles, Margaret met a handsome young man from Cork, Mike, Michael Howard, who would become the love of her life. Six months later on August 27, 1960 they were married at Saint Kevin's Church in Los Angeles, where afterwards they had a short honeymoon to see the swallows at San Juan Capistrano Mission. In late 1961, Margaret and Michael would have the first of their five children Martin Dominic, and in short succession thereafter they would have two more sons William Patrick on December 16, 1962, and Michael James on October 1, 1964. Then in June of 1966 Rosemarie Patricia was born followed soon after by Catherine Christina on May 2, 1968. Margaret's children were her pride and joy. In these early years Margaret worked, like so many housewives of the era to build a family and attend to all their needs, she was short order cook, seamstress, diver, laundry clerk and night nurse, whatever the need, it was met. As her children grew and their needs changed Margaret went back to work as a sales clerk for JC Penny and later Mervyn's. The clearance rack goods kept the family securely in the fashion of the day. As her children married and grew into adulthood, Margaret became mentor and mother to so many. Her house always had a steady stream born: December 27, 1932 Place of Birth - Ireland, Death: September 19, 2018, Place of Death: Huntington Beach, CA Occupation: Homemaker of family and friends stopping by or sending the right. Nothing brought her more joy than preparing a meal for family and friends. Later she would mentor the spouses of each of her children, Cindy, Khaimony, Rob and Erin and they would all become her confidants and partners in care. But more than anything else Margaret relished her second motherhood, that of caring for and helping to raise her eleven Grandchildren. Granny was she affectionately known, never felt more comfortable than with a grandchild in her arms or at a stroll at breakneck pace, grandchild swaddled, surrendering to a nap. On February 6, 2006, Margaret lost her love, her partner of 46 years. Mike's passing was painful for Margaret and it took many months until she managed to be herself again. Thankful he had good friends and especially her grandchildren gave her spirit a lift and the remedy for her grief. In her later years Margaret had the good fortune to travel back to her beloved home in Ireland. These trips gave her great joy and were the source of countless memories. For Ireland and Donegal never left Margaret's memory it buoyed her in the toughest of times and provided great joy when she called upon the stories of old. Margaret never really left Ireland, she only stayed here for a time and she will be missed greatly by her family and friends and most of all by those amazing grandchildren she cherished so much. Margaret is survived by her three sons Martin (Caitlin), William (Khamony), Michael (Erin), and her two daughters Rosemarie and Catherine (Robert), her 11 grandchildren, Caitlin, Michael, Liam, McKenna, Griffin, Quinn, Cucchullin, Seamus, Fionn, Josephine and Landon. Her two brothers George (Shawneen), Hubert (Ruth), her sister Bridie and all of her nieces and nephews. She is preceded in death by her beloved husband Michael Joseph, her parents Rose and Dominick, her brothers Mickey, Barney, Frank, Joseph and Dominick, and her sisters Kitty, Mary Alice, and Rosie.

REST IN PEACE

Margaret Elizabeth (Peggy) Hayhurst
(January 15, 1928 - April 5, 2018)

FUNERAL NOTICE

MEMORIAL MASS: Friday, May 4, 2018 at 1 p.m.
Incarnation Catholic Church, 1001 N. Brand Blvd., Glendale, CA 91202 followed by interment at Forest Lawn Glendale.

Peggy Sandwell was born in Harrow, London to an English father and an Irish mother Kathleen O'Connor originally from Muckross, Co. Kerry. Peggy attended school at the Sisters of the Sacred Heart in Harrow as a day pupil until her father died unexpectedly when she was 9. Her mother had to return to work outside the home to support Peggy and her younger sister Ann. The nuns allowed Peggy to board even though the family had no means to pay at the time. It was a kindness that Peggy never forgot and later on as her circumstances changed she befriended and supported the BVM sisters, not simply in their local communities of Burbank and Glendale but in their national apostolate. There was further upheaval in her life in 1940 when she, like so many children her age, had to leave London for the countryside during the German "Blitz".

During the war, her mother met and fell in love with an American officer in the US Navy. They were married and Kathleen, along with daughters Peggy (19) and Ann (11) had farewells to the UK and embarked on a life and adventure to America. They eventually settled in Glendale where Peggy was head of the insurance agency at Fidelity Federal. It was during this time that she met Norm C. Hayhurst and they were married and lived in Glendale. After seven happy years of marriage, Norm died and Peggy was left a widow. Peggy continued to live life to the fullest, her sense of adventure and "Joie de vivre" never waned. She never forgot her heritage however. Although she spoke with a pronounced English accent, and seemed to have that British sense of propriety, she also loved all things Irish and in many years regaled us with her presence and elegance at the GAA games at the Ireland's 32 Pub in Van Nuys at 7AM on a Sunday morning so

that we were all members of the "Circle of Friends", where she enjoyed friendship and camaraderie for many years. During the last two years of her life, she and Doug moved to Leisure Village where they enjoyed new friendship and activities. She was a multi-cancer survivor, a strong woman of faith, a devoted and loving wife, mother, grandmother, and great-grandmother. She loved to entertain, socialize and was a friend to many. Her family meant the world to her and she meant the world to them.

Funeral mass will be held Saturday, September 15, 2018 at 10:00 a.m. at Padre Serra Parish, 5205 Upland Road, Camarillo, CA 93012. Memorial reception immediately following the service.
