The Irish Center of Southern California

The Irish Center of Southern California, Inc. promotes Irish culture and supports our local Irish and Irish-American community.

The Center has no paid staff, but is served by numerous dedicated volunteers. In this way, the Center maximizes the value of donations. The Center is and will remain non-partisan and non-political. Funds raised by the Center will remain in Southern California for the benefit of our community.

The Center's success depends on the financial support of individuals in our community. We invite and encourage you to participate in the Center's mission. Donations are tax deductible to the extent permitted by law.
